

Welcome to The Heldrich! We are glad that you choose us as your home away from home.

During your stay at the Heldrich please observe some simple **rules**.

I understand that I must check in and that I am under 50 lbs. I know the cost for the first night is \$75 and each additional night is \$25 a night per pet and only two pets allowed per room. I will be getting two bowls for food and drink, warm cozy blanket, a treat and a bag to put all my new items in. I will be responsible to make sure that I do not make a mistake on the carpet, the bed, or damage any of the furnishings.

I understand that I must to be crated if I am left alone in the room and my owners have asked for Housekeeping service or Engineering assistance. My owner will also make sure that I am leashed or crated at all times when out in public areas.

Unless I can produce a certification that I am a Help Dog, I understand my access to the Dining Room or Pool is not allowed.

I promise not to disturb any guests of the hotel by barking, howling, or meowing. If I do you will have my owners contact information to advise them that I miss them and wish for them to come back. If for some reason you are to give a refund to a guest my owner understands that they will cover the cost.

My owner will clean up after me when we go for walks to comply with the local law. Pet walking at The Heldrich is in the designated area only. Pets must be leashed at all times and you must clean up after your pet or be subject to a city fine.
